BACKGROUND:

This Cross Seminole Trail Project is a 5.3 mile long multi-use recreational trail which will complete the west to east link between the Seminole Wekiva Trail and the Cross Seminole Trail. The project will tie into the existing Crossings/Rinehart Road Trail at Greenway Boulevard and continue south and east crossing County Road 427, U.S. Highway 17/92 and State Road 419 to connect into the northern terminus of the Cross Seminole Trail at Layer Elementary School. This proposed trail project will provide public access to Greenwood Lakes Middle School, Lake Mary High School, Layer Elementary School, Greenwood Lakes Park, Big Tree Park, the Spring Hammock area, Soldier's Creek Park and the Environmental Studies Center, while completing the cross-county trail network.
